RIED Watchlist 2024

Bill #	Bill Author	Position	Description
HB 2191	Rep. Kevin West and Sen. Todd Gollihare	Anti-Growth	Prohibits private property from being taken or damaged by a condemning authority unless the taking or damage is necessary for a public use and with just compensation and states public purpose or public benefit of economic development, including an increase in tax base, tax revenues, employment, or general economic health, does not constitute a public use. The bill directs the court to strictly construe eminent domain statutes in favor of property owners and against condemning authority.
HB 2998	Rep. Toni Hasenbeck and Sen. Julie Daniels	Pro-Growth	Decreases regulations for laser hair removal clinics. HB 2998 allows a licensed nurse to assess and make the referral for a consumer to receive laser hair removal, rather than a direct physician referral.
HB 3252	Rep. Mike Osburn and Sen. Kristen Thompson	Pro-Growth	Consolidates the Department of Commerce duties to be focused on community building and small business programs. A more efficient Commerce Department will decrease the government burden of some of its programs and make the department run more effectively.
HB 3274	Rep. Rhonda Baker and Sen. Adam Pugh	Pro-Growth	Expands the statewide student assessment system to include a free of charge retest of a nationally recognized college and career readiness assessment and a nationally recognized career readiness assessment that leads to a certificate or the Armed Services Vocational Aptitude Battery.
HB 3276	Rep. Rhonda Baker and Sen. Adam Pugh	Pro-Growth	Allows a swifter path to certification in a career that does not require an advanced degree if the candidate has an industry-recognized credential and experience.
HB 3278	Rep. Rhonda Baker and Sen. Adam Pugh	Pro-Growth	Modifies the high school graduation requirements by adding a fourth math requirement. HB 3278 also opens math and science credits from career tech to count toward the graduation requirements. The bill further
